MINUTE ENTRY

Courtroom 703 – CCB

This is the date set for Family Drug Court [FDC]. Petitioner/Mother, Kimberly L. Harker (testing party), is present on her own behalf. Respondent/Father, Isaiah Cisneros Jaime (non-testing party), is not present. Intervenors/Maternal Grandparents, Janet and Thomas Harker, are not present.

SUPERIOR COURT OF ARIZONA  
MARICOPA COUNTY

FC 2010-091785

04/16/2015

A record of the proceedings is not made by audio and/or videotape. No court reporter is present.

The Court advises the parties of changes that have been made to the Family Drug Court Program.

Effective today, the following changes are being made to the Family Drug Court Program:

- Family Drug Court will NO longer be modifying parenting time.
- From now on, if either party is seeking a modification of parenting time for any reason, you are required to follow the Arizona statutes and the rules of procedure and go back to your “referring judge” aka assigned Family Court judge.
- Because parenting time is no longer being addressed in FDC—and only your substance abuse testing and treatment will be addressed, the non-testing party is no longer required to participate. After today the Court will no longer be calling the non-testing party to participate in the FDC hearings. If the non-testing party is interested in observing the testing party’s status conference, they may appear in person. The Court will no longer be allowing telephonic appearances.
- Additionally, the Court has been advised by SAGE that SAGE does not have the capacity to accommodate multiple groups and a full time staff for Family Drug Court participants. Beginning immediately, SAGE will be providing substitute counselors for group sessions. SAGE will also not be attending Family Drug Court sessions until further notice.

Based upon the above,

Kimberly Harker voluntarily withdraws her consent to participate in Family Drug Court.

**IT IS ORDERED** discharging Mother from the FDC program and returning the case to the assigned family court Judge for any further proceedings.

Today’s proceeding is vacated.

No further hearings will be set.
